

Dear Visitor,

On Sunday 1st December we will be holding our annual 'Light up a Life' service here at the hospice.

The entrance to the Inpatient Unit from the main reception will be closed from 2.00 p.m. to 8.00 p.m. on this day.

If you wish to visit your loved one during this time please either park in one of the exterior car parks of the hospice grounds (Which are free on this day and will have marshals to direct you) or ask for directions to the rear gates near the woods to enter the inpatient unit.

Please note this entrance will be used for both IN/OUT traffic to the inpatient unit so please take care. We will also have marshals in this area to help direct you.

Please refer to the route map for visitors by car on foot to access the 'temporary' entrance at the rear of the Inpatient Unit through the nurses' entrance.

Thank you for your support and we hope this does not disturb your visit too much. You are most welcome to attend the service which takes place at 6.00 p.m.

Please see attached Light up a Life leaflet for your information or possible interest.
